Advisor — Miss Ruth Chowski.

We would like to take this opportunity to thank all who worked so hard to make this yearbook the best in Jefferson's six year history.

We have spent countless hours of aggravation and some of joy to produce a book that we hope will remain in everyone's hearts, saving those moments which are now gone.

True thanks should go to our advisor, Miss Ruth Chowski, whose hard hand and soft voice trained an almost inexperienced staff into a complex working machine. Of all the components necessary to produce a yearbook, the advisor is the most essential part.

Therefore, we, the staff, take pride in presenting our year's toil, our yearbook, *AERIE '70*.

Arsenic And Old Lace

On June 6th and 7th of 1969, the faculty presented their version of the comedy *Arsenic and Old Lace*. This production was for the purpose of raising scholarship money for deserving Seniors. Presented with scholarships this year were Carol Anderson, Pam Bergeron, Delores Glusiec, and Mary Schonfeld. It is hoped that this tradition will be carried on throughout the future at Jefferson.

To the Class of 1970

On behalf of the administration, faculty and staff of Jefferson Township High School, I extend to you our heartiest congratulations. Over the years, your excellent scholastic achievements, your unselfish interest in school and class activities and your fine cooperation and dedication to the goals and objectives of your school assure us that yours will be a most successful future.

I am most sorry to have you leave us here at Jefferson, but am certain that each of you will find a vigorous reception in your future endeavors be they work or further academic study. Each of you in his own way has demonstrated a readiness to accept the challenge that lies ahead.

I wish each and every one of you Good Luck, Success and Happiness.

Sincerely,

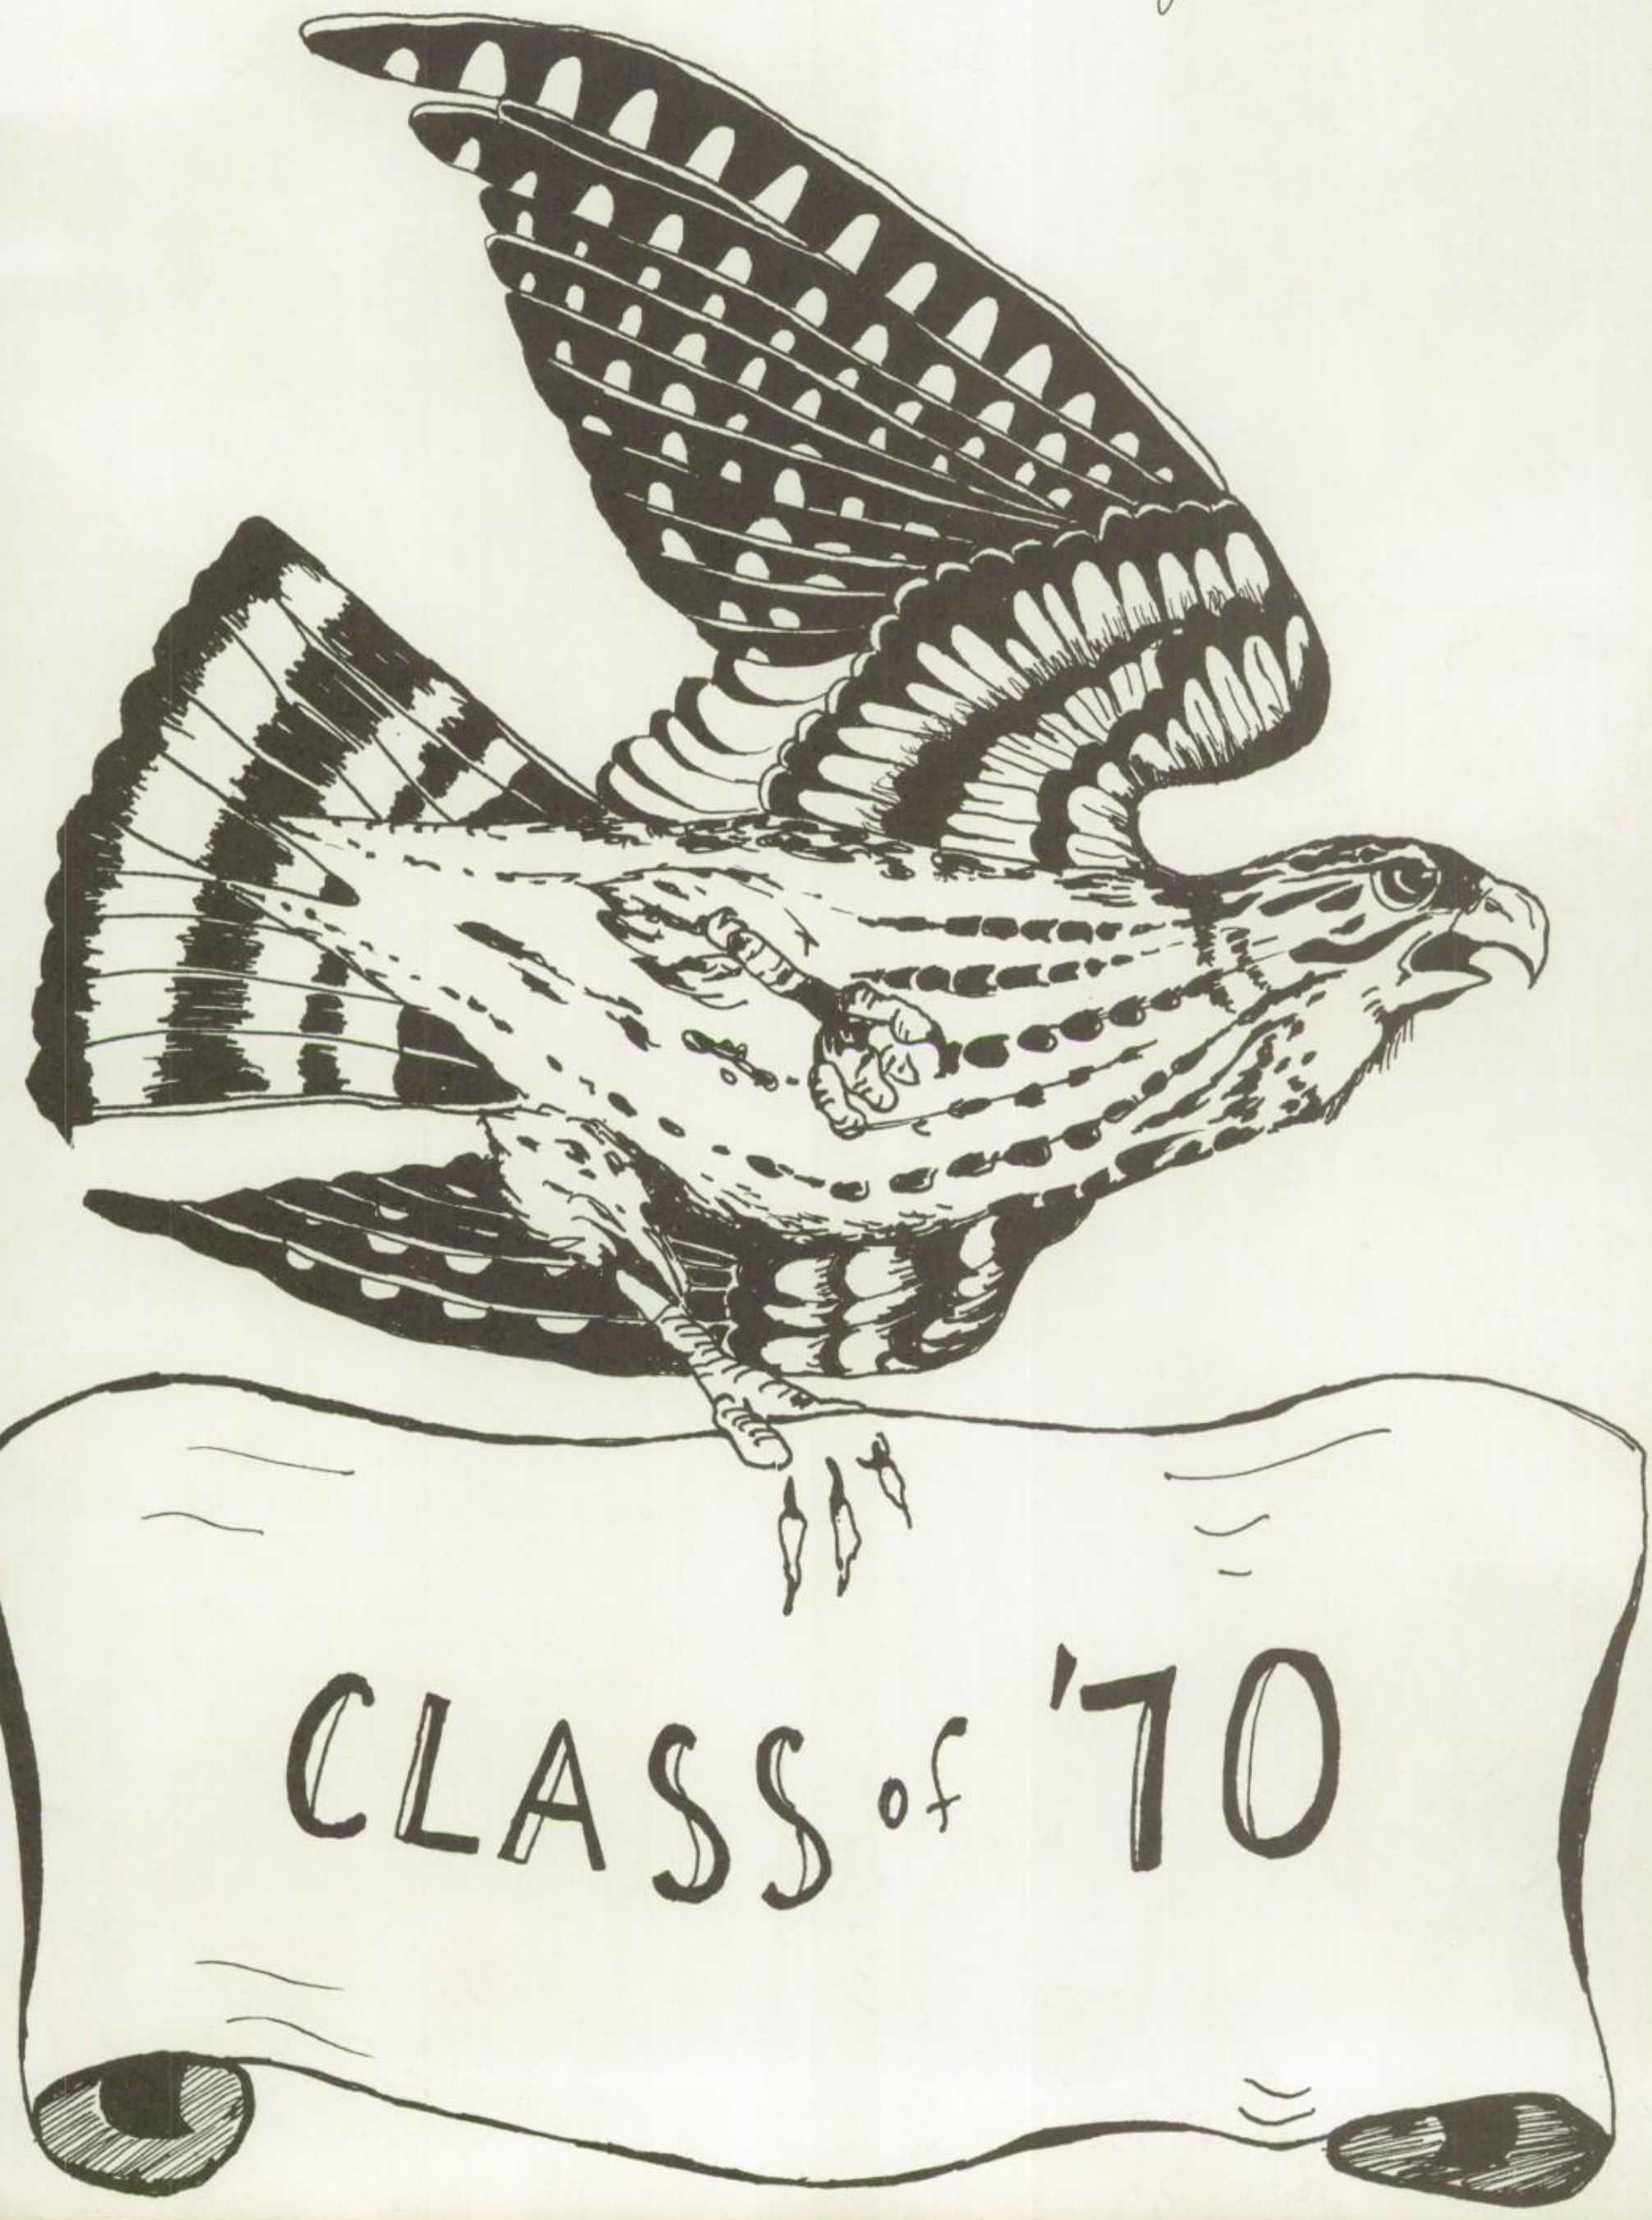
WHAT TIME

HAS CHANGED!

Julianna Moore



"To dream
the
impossible dream,

To fight
the
unbeatable foe",

It all began six years ago. Jefferson Township's high school had finally been completed. The long-awaited moment was here, and seven hundred students were rushing through the doors proving it. Among these students were one-hundred-fifty obscure individuals known as the seventh grade. Little did anyone know that this class was to become the most dynamic in Jefferson's history.

Seventh and eighth grade prepared us for the four more years to come, and how well they did!

Thus freshman year begins our history; ours because it has all become a part of each individual.

John Warholak scored the first T.D. of the class at the opening frosh football game at Basking Ridge. Although this was the only game won, the "Gar" instilled in these boys an important desire — to be the best!

Frosh basketball added a certain something to the lives of the players. Will they ever forget "practices" of running through the halls for 2 ½ hours under the guidance of Coach Cueman?

And there was the G.A.A. show. What can be said about this that hasn't been said already?

Second place in the conference was held by our frosh nine during baseball season. "Bus picnics" were instituted at this time, a tradition to be continued. The season was ended with a fine 8-4 record.

Sophomore year found us "growing accustomed to this place". Chris Sands began his outstanding Cross Country career as fifth man on the team.

Will the football players forget the time when an unexpected stop was made due to a flat tire, and the Berkshire was the site for calisthenics? Steve Shavalan discovered a new position that year, "left out". Henry Merz and Bill Stein began their fine Varsity football careers.

Drea Koch was the sole sophomore on Drill Team, representing our class faithfully.

Wrestling season began, and with it three sophomores were found on the Varsity team — Arne Anderson, Henry Merz, and Jack Wyman. Arne won his first Christmas tournament, while the other team members shone brightly also.

Roger Airey was the rotten egg, or rather he was given one in his back pocket during one of the many unusual basketball games that year.

Three vivacious girls were found on the Varsity Cheerleading squad, Chris Fennecken, Elise Swayze, and Kathy Visser. These girls deserve much credit for the spirit they instilled in our class.

The G. S. A. show was only gymnastics and relays. With talent, perserverance, and self-confidence medals were received by Kathy Visser, Wendy Zulauf, Jill Richardson, and Elise Swayze.

Will the girls' period 7 gym class ever forget the powder fights and bloody noses in the locker room. Mrs. "O" won't.

Although George Hadowanitz broke the record for most errors during one season, our J. V. baseball team tied for first place in our conference.

"This is my quest
to follow that star,

No matter how hopeless,
no matter how far;"

And so we began our Junior Year. This season Chris Sands placed first in the sectionals and sixth in Group 1 in the state meets for cross country.

Many Juniors were found on the Varsity football team, gaining the experience necessary for that final year. Those at the Morris Knolls game will never forget all of that rain and mud, that final, glorious shut out, or that victory march down the field.

Our wrestlers continued to "show their stuff". Arne Anderson and Hank Merz were named captains, along with a senior. Hank compiled a very impressive 11-1 record this season.

Our Varsity "ferocious" five continued putting the ball through the hoop, along with the help of two invaluable Juniors, Bill Stein and Bob Olasin.

Words can hardly express the feelings of those who participated in the Junior Play, "South Pacific". It was the first musical ever put on by a class at Jefferson, and the "standing room only" audiences proved it to be a great success.

National Honor Society Inductions were held in February, and eighteen proud and deserving Juniors became members.

Jefferson was well-represented on State Science Day as Rick Dorosh placed thirteenth in the state on the Chemistry exam.

Three track records were set by Juniors this season. Jim Patete threw the javelin 173' 3"; Rick Dorosh ran the high hurdles in 15.4, with an overall 11-1 record; and Chris Sands ran the two mile in 10:01.

"And I know,
if I'll only be true
to this glorious quest;"

Will any of the girls ever forget the months of practice and the final rehearsals for the G.S.A. show? But it was well worth it because both Junior gym classes placed in the top five out of ten competing classes. Not to mention that the Juniors beat the Seniors in the relays.

Summer ended and we again returned to school. It was hard to believe this would be our last year at Jefferson; that our days at Jefferson would soon be a thing of the past.

We changed conferences this year, leaving the Iron Area and entering the Skyline Conference.

The Cross Country record was again broken by Chris Sands, with the final record being 11:12, a mark other runners will strive for.

So much is to be said of our football team, by far the finest in Jefferson's history. This was the first winning season for the varsity team, which compiled a record 5 wins and 4 losses. A new transfer student, Jack Rutledge, came to Jefferson, soon becoming a tremendous asset to the team. But there were many who shone through brightly, and each member became an intrinsic part of the team. Records were set by Bill Stein, John Herr, Arne Anderson, John Warholak, and Jack Rutledge. Captain Henry Merz, Bill Stein, and Jack Rutledge were chosen to the All-Conference team. But also important was the fact true school spirit raged at Jefferson, and the feeling that "we're behind you all the way" was emitted to those boys.

At each football game twelve girls could be seen marching down the field. The Drill Team was led by Debbie DeLuca (captain), and Diana Baum (co-captain). Also seen and heard, yelling their hearts out for those boys, were our cheerleaders. Chris Fennecken and Elise Swayze did a fine job as captain and co-captain.

Two of our classes future scientists attended conferences. Rick Dorosh went to Chicago to the Youth Conference on the Atom, and Ernie Socci attended the Summer Organic Chemistry Institute.

School records were again broken during basketball season. Against West Milford, a record 94 points were tallied by Jefferson's five. The season ended with an 8-12 record, the best in past history. We can partly attribute this feat to the fine coaching of the "Harry the Hat".

Not only have we shined athletically, but our forensic team was one of the best, being composed of some fine debators — Ernie Socci, Henry Boote, Barbara Townley, Bonnie Schuebel, Brenda Ackerson, and Lisa Bierwirth. Ernie, also a fine musician, represented J.T.H.S. in the All North Jersey Band.

When praising our sports record, Randy Lange must also be mentioned. For four years he was manager and score-keeper, with a little morale-boosting on the side. What would the coaches have done without him?

Three of Jefferson's best wrestlers were leaving this year, captains Arne Anderson and Henry Merz, and Jack Wyman. Arne and Hank set the record for the fastest pins at 15 seconds. Jack and Henry won the Christmas tournament. Again Henry compiled an 11-1 record. These boys have much to be proud of, and will long be remembered at J.T.H.S.

But, now with graduation here, our nerves are not too calm. After these final moments, each person will look upon his days at Jefferson with mixed emotions — sadness for leaving, happiness for surviving. Each will depart with his own memories, long to be remembered as "the best years of our lives".

DEDICATION

How can we say Good-Bye to somebody we not only respect as a teacher but love as a person? Through our years at Jefferson you've stood up for us and helped achieve our goals. For many of us you were also somebody to confide in. You were always there to listen and give helpful advice.

Well, Mrs. Jeker, somewhere through the years we've grown up and you've grown younger. We said it was hard to say good-bye, so we're not going to. We'll still need you for a long time yet, even more now. You can't just say good-bye to somebody like you, Mrs. Jeker; you weren't that easy to find.
